Sir:

Pursuant to the duty of disclosure under 37 C.F.R. 1.56, Applicants are enclosing an Information Disclosure Citation Form (PTO-1449) which lists the references cited in the Japanese Office Action (dated September 10, 2002) being filed on this same date.

Applicants certify that each item of information contained in this Information Disclosure Statement (IDS) was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the IDS.

Attention is invited to JP 53-27435 and US '827, items AA and AI respectively on the PTO-1449 form. The JP 53-27435 disclosure is not submitted with an English language Abstract. However, according to Applicants, these two documents are in the same patent family.

It is further requested that a listing of the same appear on the face of any patent which may issue from this application.
